

Biobase portable FIM60 Automatic ice machine

SPECIFICATIONS

Item No.	FIM60
Ice making capacity(kg/24h)	60
Ice storage capacity(kg)	25
Input current(w)	420
Way of condensation	Air cooling
Way of influent	Automatic water tap
Tank shell	Stainless steel
Ice shape	Small particals of irregular snow ice
Compressor / refrigerant	Imports of CFC-free/134a
Overall dimension(L×W×H)	400×510×875mm
Net weight(kg)	45
Applicable area	Schools, hospitals, research institutes, enterprises and other types of bio-chemical laboratories, hotels, etc.
